*A weekly news letter produced by Brixworth Community Church Pastor Andy Lloyd-Williams and Community Worker Mark Palmer. Its purpose is to encourage you with a short thought and inform your prayers and your diary.*

Last week I asked if you had any spiritual goals and ambitions for the year. Most I hope will have a greater desire to know God's word better. Well, as a Church, I think we can help in this regard. We must help.

After all Jesus said 'go and make disciples of all nations'.....!

In the next couple of weeks on Sunday evenings between 6 and 7pm at the Community Centre, it is our intention to run a nine week discipleship course. It will help in understanding the Old Testament better and will be run by a gentleman I know well from my time in Market Harborough. His name is Rob Betts and he has written and led a number of courses for folk seeking to know God's word better and grow in faith.

I can thoroughly recommend him and the ministry he is offering to us as a Church. The course is for anyone who is a Christian whether someone who has recently begun to follow Jesus or has been doing so for many years. It will involve only a little reading and a little thinking in preparation for each Sunday evening. I'm sure it will be ok to miss one or two if one has to along the way. So too, I think it will fine for couples to take it in turns to go each week. Hazel and I intend to do that.

Psalm 19 vs 10 says the words in the bible are of greater worth than gold, than much pure gold. However, the purest of gold is something one would have to go digging for. As such, there will be effort involved and sacrifice. Would you prayerfully consider sacrificing an hour on a Sunday evening for a couple of months for the purpose of growing in God's word? With such cost and sacrifice I can assure you there will be great reward.

On Sunday morning, I intend to introduce the Church to Rob and his wife Carol and he will tell us a bit more about himself. In meantime, may God bless you over the weekend and the coming days and give you his peace.

Many blessings *Andy*
